SERENIA  
[se-ren-ya] n.

A noun derived from the Latin ‘Serenus’, meaning calmness and tranquillity.

SERENIA promises an unrivalled lifestyle, inviting residents into a world of architectural excellence, contemporary interiors, an array of outdoor facilities and bespoke services.

The SERENIA identity is a fusion of nature's elements that bring SERENIA to life.

At first glance, we see the SUN. As we look closer, we notice drops of water becoming WAVES as they radiate outwards.

Together, they symbolize SERENIA – your home in Dubai, promising serenity, ZEN and fine living.
