

The background of the entire image is a dense, overlapping pattern of green leaves, likely from a plant like basil or a similar herb. The leaves are in various shades of green, from a vibrant, almost neon green to a darker, forest green. They are arranged in a way that creates a sense of depth and texture, with some leaves in the foreground being sharper and more detailed than others in the background.

AT THE FIELDS

A close-up portrait of a woman's face, focusing on her eyes and nose. She has light blue eyes and is looking slightly to the left. Her skin is fair and has a soft, natural glow. In the foreground, there are large, vibrant green leaves, possibly from a plant like a peace lily, which are slightly out of focus, creating a sense of depth. The background is dark and blurred, making the woman's face the central focus of the image.
